

The Club

The Gym is located in The Club, which provides a hub for the new community at Alconbury Weald. The Club also offers The Cafe, a space where colleagues and friends can catch up over lunch and a variety of meeting rooms and event space that is available for hire.

For more information see the website alconbury-weald.co.uk/theclub.

About One Leisure

Managed by Huntingdonshire District Council, One Leisure has five individual leisure centres in the county. The modern leisure facilities have seen over £10 million invested in the past five years, transforming the facilities into high quality centres recognised nationally by the Health Club Awards.

To find out more about the other centres see oneleisure.net.

The Gym Alconbury Weald

Run with a view

Operated by One Leisure, The Gym has been designed as a central part of the offering to residents and businesses at Alconbury Weald and the surrounding villages. With the latest in high-tech equipment, personal training programmes, exercise and wellness classes available, there is something for everyone, whether you are an experienced athlete or a first time gym user.

Facilities include:

- Technogym training equipment with TV and Bluetooth connectivity;
- Cyclone bikes which replicate a road bike and allow you to ride through spectacular landscapes without leaving the gym (or you could just look out of the window!);
- Full exercise and wellness class programme;
- Highly qualified Level 3 personal trainers.
